

Prof. Dr. Dr. rer. nat. G. Christodouloupoulos

*DVM (Thessaloniki), PhD (Thessaloniki), PhD (Hohenheim),
CertSHP, DipECBHM, DipECSRHM, MRCVS*

**Professor of Farm Animal Health
Agricultural University of Athens**

Surname	Christodouloupoulos
Name	Georgios
Father's name	Anastassios
Date of birth	September 24, 1966
Place of birth	Filiatra Messinias, Peloponnese, Greece
Tel. no.	0030 210529 4386
E-mail:	gc@aua.gr

EDUCATION

University of Hohenheim (Stuttgart, Germany)

Faculty of Natural Sciences, Institute of Zoology, Department of Parasitology
PhD in Molecular Biology (2012–2017)

Cornell University (Ithaca, NY, USA)

College of Agriculture and Life Sciences, Department of Animal Science
Postdoctoral Researcher in Epidemiology and Farm Economics (2007)

Massey University (Palmerston North, New Zealand)

Institute of Veterinary, Animal and Biomedical Sciences
Postdoctoral Researcher in Cattle and Sheep Health (2003)

Royal College of Veterinary Surgeons (London, United Kingdom)

Certificate in Sheep Health and Production (2000–2005)

Experimental Zooprophyllactic Institute of Venice – Section of Verona (Verona, Italy)

Postdoctoral Researcher in Rabbit Health and Production (1999)

Aristotle University of Thessaloniki (Thessaloniki, Greece)

School of Veterinary Medicine
PhD in Veterinary Medicine (1994–1998)

Aristotle University of Thessaloniki (Thessaloniki, Greece)

School of Veterinary Medicine
Doctor of Veterinary Medicine and Surgery (DVM) (1986–1992)

National and Kapodistrian University of Athens (Athens, Greece)

Faculty of Mathematics

Undergraduate Studies (1984–1986)

High School of Filiatra (Filiatra, Greece)

High School Diploma (1984)

EUROPEAN VETERINARY COLLEGES

European College of Small Ruminant Health Management

Diplomate of the European College of Small Ruminant Health Management

(*De facto* recognition 2011; recertification 2015)

European Board of Veterinary Specialisation

European Veterinary Specialist in Bovine Health Management (2006)

European College of Bovine Health Management

Diplomate of the European College of Bovine Health Management

(*De facto* recognition 2005; recertification 2011, 2015, 2020 & 2025)

CURRENT PROFESSIONAL ACTIVITIES

Professor of Farm Animal Health

Department of Animal Science

Agricultural University of Athens

Undergraduate teaching

- Farm Animal Health
- Principles of Human Nutrition
- Diseases of Farm Animals
- Physiology of Milk Production & Reproduction

Postgraduate teaching

Master of Science (MSc) in Integrated Production Management of Milk and Dairy Products. The programme is operated by the collaborating Departments of "Food Science and Human Nutrition" and "Animal Science" of the Agricultural University of Athens.

Administrative activities

Member of the General Assembly; Department of Animal Science, Agricultural University of Athens

PREVIOUS POSTS

2013-2022: Professor in Production Animal Medicine

Faculty of Veterinary Science, University of Thessaly

2010-2014: Professor in Animal Physiology

Aridland Agriculture Department, United Arab Emirates University

2005-2022: Head of Medicine/Director of Clinical Veterinary Medicine Dept.

Faculty of Veterinary Science, University of Thessaly

1999-2022: Academic Staff

Faculty of Veterinary Science, University of Thessaly

RESEARCH

Research interests

- Sustainable Animal Production
- Urban Ecology
- Veterinary Clinical Diagnosis and Clinical Pathology
- Health Management in Farms of Cattle, Sheep and Goats
- Parasitology and Parasitic diseases

Research grants

- Collaborator in the project: “Efficacy of the feed additive Miya-Gold in weaned piglets”; School of Veterinary Medicine, Aristotle University of Thessaloniki, Thessaloniki, Greece; 2011-2015. Research grant 25,000 Euros; Leader: Associate Professor S.K. Kritas.
- Collaborator in the project: “Planning a research protocol for the evaluation of the efficacy of prebiotic Calsporin (*Bacillus subtilis* C-3102) in sows and lactating piglets”; School of Veterinary Medicine, Aristotle University of Thessaloniki, Thessaloniki, Greece; 2011-2012. Research grant 25,000 Euros; Leader: Associate Professor S.K. Kritas.
- Collaborator in the project: “Planning a research protocol for the evaluation of the efficacy of prebiotic Calsporin (*Bacillus subtilis* C-3102) in fattening pigs”; School of Veterinary Medicine, Aristotle University of Thessaloniki, Thessaloniki, Greece; 2011-2012. Research grant 25,000 Euros; Leader: Associate Professor S.K. Kritas.
- Leader in the project: “Coenurosis in small ruminants”; College of Food and Agriculture, United Arab Emirates University, Al Ain, Abu Dhabi, United Arab Emirates; 2010-2017. Granted by the “College of Food and Agriculture, United Arab Emirates University, Al Ain, Abu Dhabi, United Arab Emirates”.
- Leader in the project: “Residuals of Lincovet premix in pigs”; Faculty of Veterinary Medicine, University of Thessaly, Karditsa, Greece; 2009-2010. Granted by the “ALAPIS S.A.”; Research grant 15,000 Euros.

- Member of the Management Committee of the COST program: “Understanding and Combating Porcine Reproductive and Respiratory Syndrome in Europe (FA0902)”; European Union; 2009-2013. Granted by the “European Union”.
- Leader in the project: “Residuals of BAYVERM® premix in pigs”; Faculty of Veterinary Medicine, University of Thessaly, Karditsa, Greece; 2009-2010. Granted by the “ALAPIS S.A.”; Research grant 17,000 Euros.
- Collaborator in the project: “A method to determine lung health in lambs prior to kosher slaughter”; College of Agriculture and Life Sciences, Cornell University, Ithaca, N.Y., U.S.A.; 2008-2014. Granted by the “Cornell University Agricultural Experiment Station”, Ithaca, N.Y., U.S.A.; Research grant 15,000 U.S.A. Dollars/year; Leader: Professor Joe M. Regenstein.
- Leader in the project: “Residuals of OPTIPRIME® premix 40% in pigs”; Faculty of Veterinary Medicine, University of Thessaly, Karditsa, Greece; 2008-2009. Granted by the “ALAPIS S.A.”; Research grant 17,000 Euros.
- Leader in the project: “Residuals of OPTIPRIME BOLI in sheep”; Faculty of Veterinary Medicine, University of Thessaly, Karditsa, Greece; 2007-2009. Granted by the “ALAPIS S.A.”; Research grant 8,000 Euros.
- Collaborator in the project: “Control of the antibiotic resistance in bacteria isolated from humans and farm animals”; Larisa’ Institute of Technical Education, Larisa, Greece; 2006-2008. Granted by the “General Secretariat for Research and Technology”, Ministry of National Education, Greece; Research grant 50,000 Euros; Leader: Associate Professor A. Minas.
- Leader in the project: “Antiparasitic and antibiotic residuals in sheep”; Faculty of Veterinary Medicine, University of Thessaly, Karditsa, Greece; 2006-2007. Granted by the “VETERIN S.A.”; Research grant 8,000 Euros.
- Leader in the project: “Veterinary Service to farmers and pet owners by the Clinical Veterinary Medicine Department”; Faculty of Veterinary Medicine, University of Thessaly, Karditsa, Greece; 2005-2022. Research grant 10,000 to 30,000 Euros per year.
- Collaborator in the project: “Use of probiotics for prevention of diarrhea in sheep”; Faculty of Veterinary Medicine, University of Thessaly, Karditsa, Greece; 2003-2004. Granted by the “Research Committee”, University of Thessaly, Greece; Research grant 10,000 Euros; Leader: Associate Professor S. Kritas.
- Collaborator in the project: “Investigation of causes of foetal resorption in sheep”; Massey University, Palmerston North, New Zealand; 2003. Granted by “The New Zealand Sheep Breeders Association”; Research grant 100,000 N.Z. Dollars; Leader: Professor Dave West.

Supervision of Master theses

- Braditsas K.I. (2024). *Legislative Framework for the Importation of Dairy Products into Greece and the European Union from Third Countries and Documentation of the Causes for Rejection of These Products*, 52 pp. [in Greek with English abstract]. Interdepartmental MSc Integrated Production Management of Milk and Dairy Products, Agricultural University of Athens.
- Gantaifis E. (2012). *Public health concerns from the flea infestation in farm animals: An epidemiological study in farming communities of Central Greece*, 44

pp. [in Greek]. Thesis for the partial completion of the requirements of “MSc in Applied Public and Environmental Hygiene”, Medical School, University of Thessaly.

- Kakalettris E. (2012). *The edible snails (gastropods) and their farming in Greece*, 75 pp. [in Greek with English abstract]. Thesis for the partial completion of the requirements of “MSc in Aquatic Animal Health”, Faculty of Veterinary Medicine, University of Thessaly.
- Nerou C.M. (2010). *Morphological studies of the blood cells in European sea bass (*Dicentrarchus Labrax*)*, 78 pp. [in Greek with English abstract]. Thesis for the partial completion of the requirements of “MSc in Aquatic Animal Health”, Faculty of Veterinary Medicine, University of Thessaly.
- Tsironi E. (2010). *Morphological studies of the blood cells in sea bream (*Sparus aurata*)*, 80 pp. [in Greek with English abstract]. Thesis for the partial completion of the requirements of “MSc in Aquatic Animal Health”, Faculty of Veterinary Medicine, University of Thessaly.

Supervision of PhD theses

- *Advancing the Understanding of Ruminal Acidosis* (2024). 184 pp. [in English with Greek abstract]. PhD Thesis, Faculty of Veterinary Medicine, University of Thessaly. By Dr N.M. Voulgarakis DVM, PhD.
<https://www.didaktorika.gr/eadd/handle/10442/57048>
- *A contribution to the study of progressive pneumonia in dairy sheep* (2012), 225 pp. [in Greek with English abstract]. PhD Thesis, Faculty of Veterinary Medicine, University of Thessaly. By Dr K. Papaioannou DVM, MSc, PhD.
<http://thesis.ekt.gr/thesisBookReader/id/27273#page/1/mode/2up>

PRIZES AND DISTINCTIONS

- **Member of the «Education and Residency Committee»** of ECBHM (2025-2027)
- Invited lecturer in the «27th International Congress of the Mediterranean Federation for Health and Production of Ruminants» (Bologna, Italy), 4-6 September 2025
- Invited lecturer in the «8th National & 4th International Herd Health and Management Congress» (Antalya, Turkey), 7-10 November 2024
- **Section Editor (Small Ruminants)** in the scientific journal: *Journal of the Hellenic Veterinary Medical Society* (2022 till today)
- Invited lecturer in the «15th Greek Veterinary Congress» (Athens), November 4-6, 2022
- **Topic Editor** in the scientific journal: *Animal* (2020 till today)
- **Referee** in fifteen (15) scientific journals: *Parasitology Research; Parasite; Irish Veterinary Journal; Veterinary Medicine International; Small Ruminant Research;*

Particle and Fibre Toxicology; Journal of the Hellenic Veterinary Medical Society; Journal of Helminthology; Veterinary Parasitology; Journal of Veterinary Diagnostic Investigation; Research in Veterinary Science; Biological Trace Element Research; American Journal of Veterinary Research; Veterinary Journal; Journal of Dairy Science

- Expert of European Food Safety Authority (EFSA)
- Expert of Hellenic Accreditation System (ESYD)
- Invited lecturer in the «50th Jubilaum congress of the Italian Association for Buiatrics» (Bologna, Italy); October 10-13, 2018
- **Member of the «Credential Committee»** of ECBHM (2014-2018)
- Member of the Scientific Committee in the «12th Greek Veterinary Congress» (Athens, Greece); April 5-8, 2012
- *Auditor* in the European College of Bovine Health Management (2011, 2012, 2021 and 2022)
- Invited lecturer in the Sheep Veterinary Society Meeting (Saint Helier, Bailiwick of Jersey); April 10-12, 2010
- **The J. William Fulbright Foreign Scholarship Board and The Bureau of Educational and Cultural Affairs of the United States Department of State** (Washington, DC, USA): *Certificate in recognition of successful completion of the Foreign Scholarship Program (2008)*
- **Visiting Assistant Professor** in the Department of Animal Science, College of Agriculture and Life Sciences, Cornell University (2007)
- ***Fulbright Scholar*** (2007)
- *Referee* in the «National Organization for Medicines» (2007)
- «*Eitan Rapoport Award*» receiving from the Sheep Veterinary Society (2006)
- Invited lecturer in the «International Congress for Health and Welfare of Production Animals» (Athens, Greece); March 29-30, 2006
- Invited lecturer in the «Sheep Veterinary Society Meeting» (Homerton College; Cambridge, UK); April 10-12, 2006
- **Member of the Rector Committee** of the University of Thessaly (2005-2006).
- Invited lecturer in the «6th International Sheep Veterinary Congress» (Hersonisos-Crete, Greece); June 17-21, 2005
- **Member of Royal College of Veterinary Surgeons (MRCVS)**, Royal College of Veterinary Surgeons (London, United Kingdom) (2005 till today)
- Referee in the «National Agricultural Research Foundation (NAGREF) » (2004)
- Postgraduate scholarship from the Greek Ministry of Education (1994-1997)

SELECT PUBLICATIONS

A. Dissertations / Books

Christodouloupoulos G (2017). *Morphological and molecular studies on cerebral and non-cerebral coenurosis in sheep and goats*, 67 pp. PhD Thesis, Department of Parasitology, Institute of Zoology, Faculty of Natural Sciences, University of Hohenheim (Germany). http://opus.uni-hohenheim.de/volltexte/2018/1446/pdf/GChristodouloupoulos_Dr._rer._nat._Hohenheim.pdf

Christodouloupoulos G (2004). *Case Reports submitted to Certificate in Sheep Health and Production*. Royal College of Veterinary Surgeon, London, U.K., pp. 97 (Library of the Royal College of Veterinary Surgeon/Book registration number CSHP/04/1).

Christodouloupoulos G. (2004). *Sheep and Goats Medicine*, 110 pp. [in Greek]. Lecture Notes for veterinary students, Faculty of Veterinary Medicine, University of Thessaly (Greece).

Christodouloupoulos G. (2001). *Rabbit Medicine*, 51 pp. [in Greek]. Lecture Notes for veterinary students, Faculty of Veterinary Medicine, University of Thessaly (Greece).

Christodouloupoulos G (1998). *Epidemiological Research of Selenium and Vitamin E Concentrations in Cattle of Thessaloniki County*, 270 pp. [in Greek with English abstract].
